

Don't Stick Your Leg in a Bag of Snakes!

Although not many accidents result from inadvertent IMC, when they do occur, they are fatal 91% of the time. This program will discuss tips and techniques to help us avoid this situation. Attendance will meet one of the requirements for the FAA WINGS program.

Directions: The classroom is upstairs in the DPS Hangar located just South of the Loop. The red sign reads "Authorized Personnel Only". You will be authorized personnel...park in that lot

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?
